Key Activities & Timelines Graduate Research Student

Phase 1: Check-In and Onboarding & Student's Pass Application

16 November 2026 Onwards

Check-In and Onboarding:
Students will receive a "**Welcome to NUS**" email progressively to begin the Check-In and Onboarding process.

Deferment is **NOT** allowed once the Onboarding process has been completed. If you need to defer, please **DO NOT** proceed with the Onboarding process and contact the Faculty/School immediately.

Student's Pass (STP) Application
Full-time international students should look out for an email containing their SOLAR number and instructions to begin the STP application promptly.

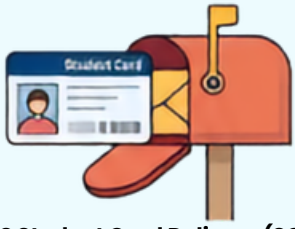

Students must hold a valid STP issued by ICA. Students without a valid STP will receive a warning, and their candidature may be terminated if no action is taken within 7 days.

Note: Entering Singapore Requirements
Travellers must submit the SG Arrival Card with Electronic Health Declaration form within three (3) days (including the day of arrival) before arrival and comply with ICA public health requirements.

Phase 2: NUS Student Card and Offsite Enrolment

From 21 December 2026

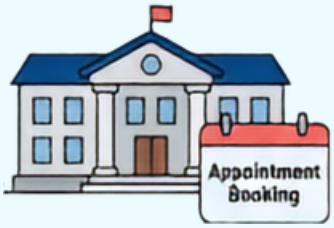

NUS Student Card Delivery (SC/ SPRs):
Student cards will be mailed to the local mailing address provided in the application for SC/SPRs who have completed the Onboarding process by 6 December 2026. Eligible students should expect to receive their student cards from 21 December 2026 onwards.

January 2027

NUS Student Card Collection:
International students and local students who are not eligible for card delivery will collect their student card from their respective Faculty/School. Further details will be provided by the Faculty/School in due course.

Offsite Enrolment (OSE) for Student's Pass:
Strictly by appointment only. International students may book their appointment via the ICA e-Service portal only after receiving the email sent by the University to their NUS mailbox.

Phase 3: Critical Deadlines

8 January 2027

Pre-Admission Medical Examination (PAME)
Required for **ALL** students; submit the completed form and Chest X-ray report in PDF to preadm_med@nus.edu.sg by this date.

24 January 2027, 6pm

Bank & Payment Details:
Scholarship recipients must update their Singapore bank account details and Singapore payment address via the Education Records System (myEduRec).

29 January 2027

First Stipend Credit:
The first month pro-rated stipend will be credited by this date if bank details were updated by the 24 January 2027. 6:00 pm deadline. For the subsequent month, the stipend will be credited on the 18th of each month.
